Summer Program in  
Medicine and Public  
Health in Paris

## Program Dates:

**Program Deposit:** 640€ on March 15<sup>th</sup>

**Final Payment:** 1605€ on May 1<sup>st</sup>  
(a part will be exempt for students seeking independent housing).

**Program Start:** June 3<sup>rd</sup> 2018

## What is this program ?

Come study abroad for a **3-5 week observership** at a partner university teaching hospital tailored to your specific interests.

Upon arrival you will have a **7-day Orientation** including a course in comparative healthcare practices, visits to hospitals/clinics and public health related institutions.

**Housing is provided** at a Student Residence in the Latin Quarter for the full month of June or students may choose to find their own housing.

This program is **limited to 12 students**, so sign up quickly!

## Partner Campuses

- Paris VI – Faculté de Médecine—Pierre et Marie Curie [www.fmpmc.upmc.fr](http://www.fmpmc.upmc.fr)
- Paris VII – UFR de Médecine—Paris Diderot [www.medicine.univ-paris-diderot.fr](http://www.medicine.univ-paris-diderot.fr)
