

MICEFA Transcript Notice 2024-25

MICEFA Credit Conversion Standards:

The MICEFA uses the standard North American University credit system based on course contact hours to determine final credit values as follows:

<u>Number of Hours</u>	<u>Number of Credits</u>
<18 hours	1 credit
18 hours	1.5 credits
24 hours	2 credits
36 hours	3 credits
48 hours	4 credits
60 hours	5 credits

Please note the MICEFA does not use the ECTS credit system.

MICEFA Grade Conversion

The system of grading equivalency described below is an adaptation of the international standards set forth by the OECD. Please note that the average passing grade to obtain a degree or pass a course is 10 out of 20 in France, and usually 2.0 (C) out of 4.0 in the US. This notice supersedes previous MICEFA conversion guides and is effective for the 2024-2025 academic year.
